Proof of Rabies Vaccination or Exemption letter

Proof of Rabies Vaccination or Exemption All applications require a copy of the rabies vaccination certificate showing it to be valid through the license period and attached to this application when filed. If your Veterinarian is exempting your dog from this vaccination, New Jersey State Law 8:23A 4.3 requires that a duly licensed veterinarian certifies in writing that the dog is incapable of being inoculated because of an infirmity, other physical condition, or regimen of therapy. We require the original exemption letter or the New Jersey Department of Health and Senior Services (VPH-28) "CERTIFICATE OF EXEMPTION FROM RABIES VACCINATION FORM" showing it to be valid through the license period and attached to this application.

A $5.00 late fee will be added for anyone who fails to renew their license by June 30, 2012.
