JERSEY CITY MASTER PLAN

Where are
we now?

Where do
we want to be?

How will
we get there?

► We invite all interested community members and leaders to join us in an initial overview of the Master Planning Process to begin exploring ideas that will guide this endeavor.

A **Master Plan** is a blueprint for the City's future. Drafting a new plan will require the collaborative work of a team of specialized consultants, city staff, and the dedication of the public at large to develop a shared understanding of the City's collective values and aspirations for the future.
