# Making Memories in JERSEY CITY

2008 Summer Calendar

## CITY OF JERSEY CITY

JERRAMIAH T. HEALY, MAYOR

Dear Friends,

I am pleased to present Jersey City's 2008 Summer Calendar, which is packed with fun-filled events for the entire family!

People of all walks of life call Jersey City their home, making our City one of the most diverse communities in the country. That cultural diversity is reflected in our *Tapestry of Nations Ethnic Festival Series*. Join us as we celebrate our diversity and experience the rich flavor of many cultures at our ethnic festivals.

Thanks to the hard work and planning of Cultural Affairs, a Division of the Department of Health & Human Services, you will be able to enjoy fine art programs, civic pride events, concerts, ethnic festivals and Americana!

We will *Celebrate America* on July 4th, at Jersey City's annual *Fourth of July Concert and Fireworks Display* at Liberty State Park. It's a family event that draws thousands to our waterfront, where our fireworks display illuminates our spectacular City.

For music lovers, we will continue to offer our popular *Summerfest* and *Jazz for Lunch Concert Series* that features many famous bands and musicians. This summer, we are also proud to present and the *Con Vivo Chamber Music Series* in June and Concerts at the MLK HUB in July and August.

We are also glad to help promote two concert series which are sponsored by the Downtown SID and the Central Avenue SID – Grove Street Grooves and Music in the Square.

For our sporting enthusiasts, the Department of Recreation will host various programs to enhance the well being of city children and adults. Whether it is through summer camps or sports clinics, or family visits to any of our city parks, gymnasiums, and our world-class Armory, I encourage you to take advantage of the recreational activities we have scheduled.

I hope you will come out and take part in the events we have planned for you. As your friend and neighbor, I hope to see you out there in the community because there is so much to enjoy and be proud of in Jersey City.
