A FREE Self-Guided Tour All Weekend

JERSEY CITY – Mayor Steven M. Fulop, the Jersey City Municipal Council, and the Jersey City Office of Cultural Affairs present the **2014 Jersey City Art & Studio Tour**, a **FREE self-guided tour** featuring more than a 130 galleries, artist studios and pop-up exhibition spaces. The tour will take place from **12 pm to 6:00 pm** throughout the city on **Saturday, October 18th** and **Sunday, October 19th**.

The **24th Annual Jersey City Art & Studio Tour** is a weekend celebration of Jersey City's diverse and burgeoning art scene that features over 600 artists and venues that include galleries, studios, public art, live music and performances, food, drink and parties. This year's exhibitions include visual art, multimedia, film, music, performance and everything in-between.

Every year the tour attracts thousands of visitors during its two-day run. The Jersey City Art & Studio Tour is New Jersey's premier art and cultural event, and is free and open to the public.

“Jersey City has one of the most vibrant arts communities in the region and the Annual Studio Tour is a way for residents and visitors to view the art, meet artists, purchase artwork and support our growing arts community,” said **Mayor Fulop**. “In addition to dozens of new sites throughout the city, the tour this year also includes an interactive website with a geolocation feature and mobile apps.”

The Jersey City Art & Studio Tour Kick-Off Party is open to the public and will be held from 6 pm to 10 p.m. on Friday, Oct. 17th on J. Owen Grundy Park at Exchange Place, featuring opera by Roland Burks, dance performance by [Your Move: New Jersey's Modern Dance Festival](#), and live music with [Manouche Bag](#), [Sylvana Joyce & The Moment](#), [the Milwaukees](#), and [Cecilia Celeste](#).

The Village neighborhood in Downtown Jersey City has flourished over the past year and will be bustling with events over the JCAST weekend, including “The Whiskey Rebellion” at Village West Gallery, The Original Fifty8 Reunion Show at Mary Benson Gallery, and The Raven Gallery’s Group Exhibition “Nesting.”

The Bergen/Lafayette and Greenville neighborhoods have also expanded their participation with more than 15 separate exhibitions that include an afternoon of visual art and music in Ummi’s Living Village Community Garden at 612 Communipaw on Saturday, Raku and Pottery Throwing demos at Evening Star Studios, and a “Glass Jam” at the glass art studio of Larry Feldman.

This year’s Jersey City Art & Studio Tour features a personalized online guide at www.thejcast.com that makes it easier than ever to find clusters of activated arts areas in all major neighborhoods. Visitors can find events nearby with an advanced geolocation feature that pin-points your neighborhood and offers event suggestions in your radius with walking and driving directions. Visitors can search by artist, venue, and neighborhood with the advanced search tool and get up to date details on what's happening.
