SOLICITATION FOR TECHNICAL PROPOSALS

Route 440/Routes 1&9 Truck Multi-Use Urban Boulevard Concept Development Study

The City of Jersey City Department of Housing, Economic Development and Commerce is seeking the services of a multi-disciplinary consultant team to prepare a Route 440/Routes 1&9 Truck Multi-Use Urban Boulevard Concept Development Study. The purpose of this project is to prepare a Concept Development study for the creation of a multi-use urban boulevard along Route 440/Routes 1&9 Truck in Jersey City and to determine if it is possible to remove through truck traffic from Route 440/Routes 1&9T in Jersey City. The product of this project shall be the identification of a preferred alternative or combination of alternatives (and associated projects) to advance to the next phase of project development, Feasibility Assessment.

To receive the Solicitation for Technical Proposals, please contact:

**Mr. Peter Folgado, RPPS, Director
Jersey City Division of Purchasing
1 Journal Square Plaza
Jersey City, NJ 07306
Tel: (201) 547-4896
E-mail: peterf@jcnj.org**

Or download the Request for Proposals from the City of Jersey City's website:

**www.jerseycitynj.gov
Click on the "Public Contracts" link on the homepage.**

This effort is funded with federal money, and all pertinent federal regulations apply. Federal regulations require the use of Disadvantaged Business Enterprises and/or Emerging Small Businesses Enterprises at a minimum of 15.7% of the total contract amount.

The deadline for the submission of sealed proposals is **Tuesday, January 13, 2009 at 4 PM**. Proposals received after this deadline will not be considered.
