

PUBLIC MEETING

ON THE PROPOSED SPECTRA ENERGY

NATURAL GAS PIPELINE

Wednesday
October 19, 2011
7:00pm
at
Ferris High School
35 Colgate Street
Jersey City, NJ

To see the full map of the proposed route or to obtain more information on this project, please visit the city's webpage "Opposition to Proposed Spectra Energy Pipeline" at www.jerseycitynj.gov/resident.aspx?id=7184.

The Federal Energy Regulatory Commission (FERC) wants to hear from you about Spectra's proposed natural gas pipeline to run through your neighborhood. Speak at the meeting, comment on FERC's Draft Environmental Impact Statement and let your voice be heard. This is one of the last meetings FERC will hold on the pipeline, so please attend and encourage others to attend.

Mayor Jerramiah T. Healy remains strongly opposed to the Spectra pipeline and city officials will reiterate their concerns to FERC. Be part of the process. Tell the officials at FERC we do not want this pipeline in Jersey City!

Should you be unable to attend, you may register comments until October 31st, 2011 by logging on to www.ferc.gov and using the project docket number CP11-56.
