I, _____ (name of cannabis business applicant the primary contact person, as listed on the application), am applying for a cannabis business license pursuant to N.J.S.A. 24:6I and N.J.A.C. 17:30-7. I have requested priority review as a Social Equity Business because the business owners satisfy the criteria set forth in N.J.A.C. 17:30-6.6.

Specifically, my business is a “social equity business” deserving of priority review due to our ownership meeting the following criteria (check at least one):

☐ More than 50% of the ownership interest of the license applicant or license holder is held by one or more persons that demonstrate one of the following criteria:

(Please provide proof of residency, in accordance with N.J.A.C. 17:30-1.2; Refer to Exhibit A for examples of documentation that may qualify as sufficient evidence to meet this criteria)

(Please provide preceding year’s applicable tax return)

☐ More than 50% of the ownership interest of the license applicant or license holder is held by one or more persons who have been adjudicated delinquent for or convicted of, whether expunged or not, in this State, another state, or the Federal Government:

- ☐ At least two marijuana- or hashish-related disorderly persons offenses; or
- ☐ At least one marijuana- or hashish-related indictable offense.

(Please provide any necessary documentation establishing rehabilitation; Refer to Exhibit A for examples of documentation that may qualify as sufficient proof)

I have read this attestation and have reviewed the referenced statute and implementing regulations. I hereby attest that for the reasons identified above I satisfy the criteria set forth in N.J.A.C. 17:30-6.6 establishing that my application for a cannabis business license should receive priority review as being an application submitted by a "Social Equity Business." Being duly sworn according to law, on my oath, under penalties of perjury, depose and state that I make this statement on behalf of the cannabis business applicant, and that the statements contained in this attestation are true and correct to the best of my knowledge and belief, and that this statement is executed with the knowledge that any misrepresentation or failure to reveal information may be deemed sufficient cause for the refusal to grant priority review of the cannabis business application.
