

Jersey City Parklets

What is a Parklet?

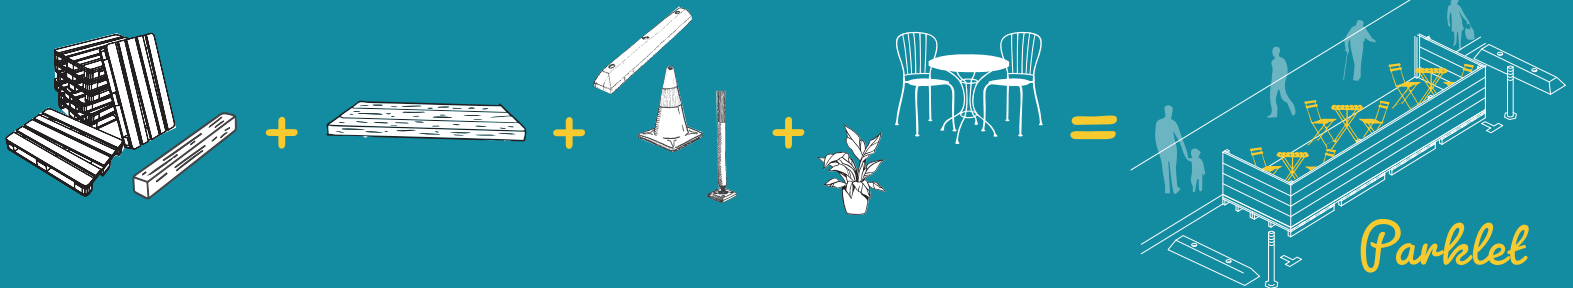

A parklet is an extension of the sidewalk into the parking lane, designed to create more public space for seating, dining, and other amenities.

JERSEY CITY'S COVID-19 TRANSPORTATION INITIATIVES:

Restaurant Parklets
Pedestrian Plazas
Slow Streets
Protected Bike Lanes
+ more

Jersey City launched a Pilot Parklet Program in 2018. The program has been adapted during COVID-19 to assist restaurants with providing outdoor seating through a permitting process.

Apply for Your Parklet Now!

To apply, fill out the Online Parklet Application form:

<https://bit.ly/jcparklet>

For reopening guidelines for businesses, visit: jcnj.org/reopens
