Union/Management: Management
Full-Time/Part-Time/Seasonal: Full-Time
Workweek: Monday-Friday – 40 hours per week
Salary: $55,000 - $60,000. Based on qualifications and experience. Competitive Jersey City retirement and health benefits package available, including pension, dental, medical, prescription, FSA (flexible spending account), life insurance, and more.

The City of Jersey City is seeking a Program Manager for the Department of Housing, Economic Development, and Commerce. The Program Manager will assist the Division of Community Development with grant programs (HOPWA & ESG) as well as other Federal, State, and Local grant programs. Also, this position will be responsible for overseeing grants management and integrating its work with the other Divisions.

Job Duties:

- Participate in strategic planning as a member of the senior management team.
- Forecast and track foundation payout to meet legal requirements and program goals.
- Ensure legal compliance across the Division’s functions.
- Help structure external communications on the Division’s mission, goals, and programs.
- Provide clear and concise grants administration policies and procedures for grantees and their staff.
- Contribute to and coordinate fountain publications, including the annual report and website.
- Help identify grantees with capabilities for additional or new projects.
- Communicate Division policies to grantees, and applicants.
- Develop funding applications, brochures, and the Division website.
- Prepare and process resolutions, agreements, and amendments for approval by City Council.
- Process reimbursement requests and monitor the Project Sponsor’s, grantee, and applicants' performance activity, and fund-source expenditures to ensure that objectives are accomplished.
- Collect and analyze data and prepare reports involving resource allocation, services delivered, and contract compliance for the City’s annual CAPER Submission to HUD.
- Obtain needs assessment data and develops comprehensive program planning for the City’s Action Plan.
• Assist in the negotiation of contract terms for the conduct of grant preparation with representatives of City departments and outside agencies.
• Monitor the grants management operations to ensure the overall high quality of grants Administration across programs.
• Use his/her resulting cross-program knowledge to support efficient operations that further the goals of the Division and its staff.
• Supervise the Support Staff and Line Staff in carrying out CDBG-funded eligible activities or projects identified in the grantee’s consolidated plan.
• Performs other duties as assigned.

*Please note, that this job description is not designed to cover or contain a comprehensive listing of activities, duties, or responsibilities that are required of the employee for this job. Duties, responsibilities, and activities may change at any time with or without notice.

**Required Education:** A Bachelor’s degree in public administration, business administration, social work, economics, communications, law or other related areas is required. Graduate or professional degree preferred.

**Required Experience:** Three years of experience in grants and proposal administration. Two years of which, should have been in a supervising capacity.

**Essential Skills:**
• Ability to monitor and apply government regulations related to Division.
• Knowledge of and experience in the nonprofit sector, Housing and Community Development.
• Broad familiarity with the Division’s history, structure, and operations.
• Understanding of the Division’s program areas and mission.
• Demonstrated experience in formulating and implementing policies and procedures.
• Ability to think and act decisively about the program and operational issues.
• Capacity to group abstract ideas and form a coherent picture.
• Ability to objectively analyze a situation and evaluate the pros and cons of every course of action.
• Knowledge and application of best practices in grantmaking.
• Analytical capabilities with accounting procedures and processes for structuring projects.
• Understanding current HUD Regulations related to Division.
• Knowledge of grants management software and information technology skills.
• Ability to communicate technical, budgetary, and program details to staff, grantees, and applicants.
• Exceptional interpersonal skills with the ability to work collaboratively and foster positive and professional relationships.

• Exceptional analytical skills with the ability to prepare clear, sound, accurate, and informative conclusions, and recommendations.

• Exceptional organization skills and high level of attention to detail and accuracy.
